Join us for Pop's Winter Games Olympics:

9th – **Torch Relay and Opening Ceremonies.** Compete in "Flipping Flags" as you try to recognize and collect the most flags from around the world, and then play "Jeju Island" to gather the most souvenirs as you travel around South Korea's popular tourist resort. Pick up your Olympic Score Card anytime during the Olympics for all the details, and participate in as many events as possible, to maximize your points and your chances to earn a spot on the podium! 16th – Be cool and battle with penguins in "Ice Cool," or practice and score your points for the other open events throughout the two weeks like "Slotter Curling," "Fastrack hockey" and the "Ski Jump Challenge!" 23rd – Finish your Olympic Tour and play "Ticket to Ride" Asia to earn a few more overall Olympic points before **podium awards and closing ceremonies on the 24th.**
